Education

- **BSc, Computer Science, Tsinghua University**   Beijing, China
  GPA: 3.5 (50%)   *2019(expected)*

Research Interests

1. Machine Learning

Undergraduate Research

1. 2018.03-present   TCS Lab, THU, advised by *Prof. Jian Li*.
   Topic: Designing Algorithms for Non-convex Optimization.

2. 2018.01-2018.03   NLP Lab, THU, advised by *Prof. Minlie Huang*.
   Topic: Using Hierarchical Reinforcement Learning in Text Simplification.

3. 2017.06-2018.01   Netman Lab, THU, advised by *Prof. Dan Pei*.
   Topic: Using Reinforcement Learning in TCP Initial Window Selection.

Skills

1. *Maths Knowledge*: Convex and Nonconvex Optimization, Reinforcement Learning.

2. *Programming Skills*: C, C++, Python.

3. *English Proficiency*: Toefl: 106 GRE: 320+3.0
